### **RASK Announces Disaster Relief Funds Available**

**Bowling Green, KY- January 11, 2022** – The REALTOR® Association of Southern Kentucky is working with the Kentucky REALTORS® to help families that have been affected by the devastating tornadoes that came through our community last month.

The assistance is being provided by the REALTORS® Relief Foundation, a program of the National Association of REALTORS®. The Kentucky REALTORS® applied for the aid and were granted \$1.5 million to help Kentucky families with housing costs for those that have been displaced.

RASK President Angi Cline says this program will be a big help to our community. “As REALTORS®, we always strive to help our neighbors, especially in times of need,” she said. “We hope to use as much of these funds as possible right here in Bowling Green and Warren County to help with housing costs for those affected by the tornadoes.”

To ensure that as many families as possible receive the aid they need from this program, the maximum amount available per household is \$3,000. Please note that this assistance is for housing relief only. Mortgage expense for a primary residence that was damaged or rental cost due to displacement from a primary residence due to the tornadoes are the criteria to qualify. Those interested in applying can visit [kyrealtors.com/relief](http://kyrealtors.com/relief) for more details. You can also contact your local REALTOR® and/or the REALTOR® Association of Southern Kentucky for an application and more information at 270-781-1623.
