I understand that this voucher is for \$200.00 and that each property owner is limited to one voucher. All trees must be purchased at the same time and if the full voucher is not used then the remaining funds will be returned to the program and added back into the funding pool. The certificate has no cash value.

To determine eligibility for the voucher, the address of the affected property will be verified against the Warren County Planning Commission's GIS map of tornado damaged areas. Eligibility determination by Operation PRIDE is final. Only properties in Warren County Kentucky are eligible.

I have selected the following vendor to purchase the trees from. The voucher may only be used at the selected vendor.
